

COMMUNITY EDUCATION COUNCIL 24

Student Member (Non-Voting)

High school students who will be seniors during their year of service, who reside in the community school district in which they will serve, and who are part of their school's elected student government are eligible to be appointed by the community superintendent. Students need not attend high schools located in the community school districts in which they will serve. If no senior on the elected student government is available to serve, seniors holding other elected leadership positions (e.g., president of a club) may be considered. For purposes of this regulation, a senior is a student who has 30 high school credits.

Interested students must obtain an application from FACE and submit the completed application to FACE at ccecinfo@schools.nyc.gov. FACE will review eligibility and forward eligible applications to the relevant community district superintendent. All appointment decisions shall be at the discretion of the superintendent.

Non-voting student members serve a one-year term beginning on July 1 and ending on June 30 of the following year.
