

Dear CEC 24,

Thank you for Resolution 202, "Recognizing Mental Health Awareness Month and Promoting Parent Awareness, Student Protections, and Bullying Prevention in District 24." I want to thank and commend you for using your platform to spread awareness on these important topics.

After reviewing the resolution, we have shared it with the following offices at New York City Public Schools to ensure awareness of your feedback on what efforts in these areas are working, and what your Council wants to see more work on in these areas:

- Family and Community Empowerment
- Office of School Health
- Office of Safety and Prevention Partnerships
- Office of School Wellness Programs

We look forward to continuing to work on these important priorities.

Thanks,

Katie Jedrlinic
